Jane C.—a young girl aged fourteen years, was afflicted with an immense sore on the middle of her back, which did not allow her to employ herself in any way. At last some person mentioned to me your Sarsaparilla, and I immediately procured two bottles of Messrs. SANDS' Sarsaparilla, your Agents, in this city, which I gave to her. I called to see her the next day and she told me she had taken two doses and felt very much relieved. I augured immediately at this, but she said it was really and gentlemen, in a word, in two weeks from the time she commenced using it, there was neither sign nor trace of where the sore had been.

THE PHILANTHROPIST
IS the title of a monthly sheet, proposed to be issued in Wilmington, N. C., at one dollar a year, payable on receipt of the first number. Intemperance, the great enemy to prosperity and happiness, is exerting a wide influence throughout the country. It is a growing evil, and is daily destroying the lives, to say nothing of the comforts, of thousands of the human family, notwithstanding the efforts that have been made, and are still being made, towards its suppression. One principal reason why this great evil is still permitted to exist to an alarming extent, is, that the exertions of the friends of the Temperance cause have been confined principally to cities and towns, while villages and the country at large, are almost entirely neglected. A cheap temperance newspaper could not, it is presumed, fail of success, in the way of patronage; and if extensively circulated, would doubtless prove a barrier, in no small degree, to the progress of inebriation—thus carrying out successfully, the praiseworthy intentions of the friends of Temperance, which could not be accomplished in any other way. This publication, besides proving
A Foe to the Grogger,
and the disgraceful habits of drunkenness, will, at the same time, afford a variety of other matter, of a most interesting nature.
In North Carolina no paper of this description has ever made its appearance, (although proposals have recently been issued for the purpose,) owing, no doubt, to the fact that the influence necessary to promote the success of a work of this kind, has been omitted. An anxious appeal is made to the friends of the cause generally, to use their utmost endeavors to give encouragement to this publication. The first number of the **Philanthropist** will make its appearance as soon as 600 subscribers can be obtained, which can be done if every influential person would feel a sufficient interest in the cause of Temperance, to exert himself. The **Philanthropist** will be printed on a medium sheet, in newspaper form, so as to afford a privilege to advertisers.
Persons disposed to patronize this work, are requested to forward their names to Wilmington, by mail or otherwise, by the first of August next, addressed to the
EDITOR OF THE PHILANTHROPIST.
Editors of papers throughout the State will please give the above a few insertions, with some remarks of their own by way of recommendation.
